

## CONFORMITY DECLARATION

### RoHS3 - REACH

We, WATTS Industries Deutschland GmbH,

Declare for the Products in Annex I, that the design and the manufacture of our whole products are made with raw materials in compliance with the legislation RoHS and the regulations REACH.

✓ RoHS Compliant

Compliant with the requirements imposed by the directive 2011/65/UE (8<sup>th</sup> June 2011) of European Parliament and of Council, and by delegated directives (EU)2015/863 (31<sup>th</sup> march 2015) and 2017/2102 (15<sup>th</sup> November 2017) on the Restriction Of the use of certain Hazardous Substances in electrical and electronic equipment and specifically that our products don't contain:

| Substance                             | Maximum Limit (ppm) |
|---------------------------------------|---------------------|
| Lead (Pb)                             | 1000                |
| Mercury (Hg)                          | 100                 |
| Cadmium (Cd)                          | 1000                |
| Hexavalent Chromium (Cr6+)            | 1000                |
| Polybrominated Biphenyls (PBB)        | 1000                |
| Polybrominated Diphenyl Ethers (PBDE) | 1000                |
| Bis (2-Ethylhexyl) Phthalate (DEHP)   | 1000                |
| Butyl Benzyl Phthalate (BBP)          | 1000                |
| Dibutyl Phthalate (DBP)               | 1000                |
| Diisobutyl Phthalate (DIBP)           | 1000                |

According to its production processes, products manufactured and placed on the market for electrical and electronic equipment, Article 4 paragraph 6 of the European Directive 2011/65/EU is applied at its products included in Annex III "Applications exempted from the restriction in Article 4, paragraph 1":

#### Exemption

The directive 2011/65/UE, in the annex III, provides for exemptions up to the maximum threshold of Pb:

- until the 0,35% in the steel alloys (6 a)
- until the 4% in the aluminum alloys (6 b)
- until the 4% in the copper alloys (6 c)

✓ REACH Compliant

*Compliant with the requirements of the Regulation N° 1907/2006 of European Parliament and of Council of 18<sup>th</sup> December 2006 concerning the registration, evaluation, authorization of chemical substances, and also more specifically the following substances are not intentionally used or added during the manufacturing of our products:*

- *Substances of Very High Concern for authorization updated by ECHA on 19<sup>th</sup> January 2021*
- *Substances under authorization rules (Annex XIV of 14<sup>th</sup> April 2021)*
